MIGHTINGE, SIZE 30X14, OBE YEAR. THE SUNDAY EDITION of advertising Add application, als DOWNS, ROSS & CO., Waco Texas,

WACO, JANUARY 26, 1882. The dealer in valentines is preparing to reap the spring harvest. Actording to Comptroller Brown's

his hearts content.

"Waco is to have a female barbershop,"-[San Autonio Light. Don't you wish you were domiciled in

impedes christianity about as much of drafts drawn for the support of as a snow flake on the track does the the school, and as a consequence the 3:30 express train.

The graveyard insurance has not should be stated that he holds the to make it a felony.

At Houston, hext Sunday week, Methodist minister into the boosm of popular vote when the questions of the Protestant Episcopal church.

Anna Dickinson in trousers is the September. The Governor holds a She made her debut as Hamlet at clash. It is further stated, though Rochester, and achieved a success. Marylanders are said to be the most that Attorney-General McLeary

Persistent office-reckers at Washington. Next comes North Carolina and rarely bores the President.

Mr. Gladstone in a letter asking while Governor Roberts claims equal the child. On reaching home of parliament on the 7th proximo, says

Senator Garland, of Arkansaw, i one of the best lawyers in the senate and a stalwart democrat to boot. But the state debt issue in Arkansaw poiities is said to have cooked Garland's goose, and it is predicted he will not be re-clected in 1883.

The Examinar is advised that the indulging in some very tine hair-15th, as a weekly instead of a monthly publication. The price will be \$2 per ernor's course will elicit the largest by all annum. We may say that "The Am- measure of public sympathy and aparanth" is a very meritorious literary

The Chalmers-Lynch case, from the before the house committee on elections vesterday. Lynch is the repul lican contestant, and will make strong fight to oust Chalmers. Th district is notorious, throughout the land as the "shoe-string" district of Mississippl.

It has just been discovered that the government has lost \$48,995,811 since 1864 by the insertion of a comma after the words "tin plates" in the tariff law. If the proof-readers had been given a semicolon and a period or two to wrestle with they would undoubtedly have broken the government be-

The total number of immigrants to the United States during the year 1881, so far as ascertained, is 716,868 The true figures will probably reach 750,000. Rating each immigrant at \$100 (productive capital or worth). which is a very meager estimate, the country is \$75,000,000 richer during the year from this immigration.

The Chicago Tribune announces that perpetual motion has been discovered by a Chicago man, Professor Joshua Garrett, who has been a mechanic for many years, and is in no respect cranky. His system consists of two cylinders working transversely in a vacuum upon a third. The model works until the bearings are worn out, thus creating practically a per petual motion.

Guiteauism has already broken ou in New York, where a female burglar. when caught, pleaded "inspiration." alleging that "she was urged to rob by an irresistible power." This is the first result of Guiteau's plea, which will undoubtedly be urged by a number of criminals. We now have pyromania, kleptomania, dipsomania and will have to invent a new word that will express involuntary burgla-

We are giad to see that all the state papers are doing Senator Coke the just federacy as a man who has never tice of publishing his denial of the alleged "interview" with a correspond-Some of them do it very reluctantia. however. The truth is that the words Coke were in such thorough unison with the sentiments entertained by cen mothers were wont to still their many of the papers, that they are sorry to find they had to put in a denial for

Chicago held a grand mass meeting he hunts up and distorts some utterlast Monday evening and grew prop- since of the decrepit old man who was erly indiguant, through speeches and at the head of the Confederacy. Mr. resolutions, over the great and grow- Davis could not have said that "the Utah. The upright citizens of the only sleeping," because Mr. moral city of Chicago have been Davis, as well as any man shocked for years by the conduct of in the south knows that "the cause" the base and premisenous saints of for which the south battled is a cause Utah, and they feel now that the time no longer. The issue was settled for has come for the government to crush ever when Lee and Johnson surren out the imquity known as Mormon- dered. Mr. Davis does not, say silly ism. It is altogether probable that things, no matter how intense may be there is more vice in Chicago, more his sectionalism. We dare say that double families, and more practical an accurate report of his speech at route cases are to be brought before adultery than there is in Salt Lake New Orleans would read entirely dif- the grand jury on the close of the City; but the business of violating ferent from the words attributed to the ten commandments is carried on him in the above dispatch. We don't under cover, and hence there is no know who the bloody-shirt crew will find to make capital out of when Jeff great public commotion.

Davis is dead. Sold by all Druggists at \$1.00 a bottle BROWN CHEMICAL CO.

Baltimore, Md.

See that all Iron Billers are made by Burses Currental
Co. and have crossed red lines and trade mark on wrappen BEWARE OF IMITATIONS.

For You, Madam,

Whose complexion betrays some humiliating imperfection, whose mirror tells you you are Tanned, Sallow and disfigured in countenance, or have Eruptions, Redness, Roughness or unwholesome tints of complexion, we say use Hagan's Magnolia Balm.

It is a delicate, harmless and delightful article, producing the most natural and entrancing tints, the artifleialit of which no observer can detect, and which soon becomes permanent if the Maguelia Balm is judiciously used.

Absolutely Pure.
